Dear friend of Cranford Hospice,

I hope this brochure finds you well. As President of the Hastings Karamu Rotary Club, it is with great pleasure and a sense of purpose that I reach out to you today.

We are excited to announce the upcoming Hastings Karamu Rotary Cocktail Party 2024, an event that not only promises an evening of elegance and camaraderie but also serves as a vital fundraiser for a cause close to our hearts: the Cranford Hospice Capital Build.

Cranford Hospice holds a special place in our community, providing compassionate care and support to individuals and families facing life-limiting illness. The services they offer are invaluable, offering comfort, dignity, and a sense of peace during challenging times.

In order to ensure the success of our fundraising efforts, we are seeking sponsorship and auction lots from generous individuals and businesses like yours. Your support will play a crucial role in helping us reach our fundraising goals and make a meaningful impact on the lives of those in need.

By sponsoring our event or donating auction items, you will not only be showcasing your commitment to corporate social responsibility but also gaining valuable exposure to a diverse audience of community leaders, business professionals, and philanthropists.

We invite you to partner with us in this important endeavour and join us in making a difference in the lives of others. Together, we can create positive change and build a brighter future for all.

Thank you for considering this opportunity to support our cause. We look forward to the possibility of working together and making a meaningful impact in our community.

Warm regards,

Mark Davenport
President
Hastings Karamu Rotary Club

Cranford Hospice has been providing care for people with terminal illnesses since 1982. The Cranford Hospice team currently supports some 200 families spanning from Mahia to Takapau. Despite difficulties caused by the COVID-19 pandemic and Cyclone Gabrielle, Cranford Hospice remains committed to fulfilling its mission of supporting patients and their families.

Recognising the need for updated facilities, to meet the growing demand for palliative care services, Cranford Hospice initiated a \$15 million project to construct a new purpose-built home. A wonderful site was initially found at Chesterhope Station. Unfortunately, these plans have now been foregone due to the impact of Cyclone Gabrielle.

The urgency for a new facility is evident, as the community requires a dedicated space for end-of-life care and specialised services for future generations. Cranford Hospice aims to create a state-of-the-art facility that will ensure top-quality palliative care for the people of Hawke's Bay for years to come. The search for a new home remains ongoing with due diligence underway on several options. The community will be involved in the final decision at the point that a definite alternative is available.

With overwhelming support from the Hawke's Bay community, the Cranford Hospice Foundation Trustees are dedicated to realising the vision of a new home. The project has already raised \$14.4 million, showcasing the community's generosity and commitment to this cause. Thanks to Karamu Rotary Club who have been a key contributor to this incredible effort.

Together, we will build a new home for Cranford Hospice, Hawke's Bay.
